

Hutchinson Construction Assistant Project Manager

About Hutchinson Construction

At Hutchinson Construction, our purpose is *to serve others, by building futures for people and communities*. We live out our purpose and values every day and look to add team members with similar values, are driven, hard-working, fun, and share our passions.

Our team members and culture are most important and thrive when there is harmony between them. This is what will drive the company to new heights. That success is in turn given back to team members and their communities. This is our purpose. We expect all team members to live out the company values every day, in every interaction – whether at work or not. Those values are:

Service – We are passionate about serving others. Through every action of our company, and its team members, we aim to serve people in a radical way – on and off the construction site.

Trust – Trust is the foundation of our relationships and service attitude. Our commitment to integrity and transparency is industry-leading.

Reliability – Our word is stronger than a contract. Our team of master builders sees it through no matter the complexity.

Creativity – In a world of innovations, we seek to be creative. We are master builders, and while we may leverage innovations as part of the equation to improve processes and experiences, our focus is on creativity – the starting point to innovation.

Fulfillment – We seek fulfillment in all that we do. We love to build, and we love our families. Our vocation and life purpose live in harmony as we take special care to prioritize, cultivate and pursue fulfillment.

We are a veteran-owned small business and equal opportunity employer.
